- Durable powder coat finish
- Strong cold rolled steel

Standard Colours

- White Satin
- Matt Black

(All custom colours available on request)

Maximum Loads

The shelves used in our cabinet have the following maximum load rating. These ratings are based on a uniformly distributed load.

Cabinet Shelf Maximum Load per shelf

Maximum load of 45kg per drawer

Standard Locking Mechanism

Cabinets feature laser cut keys and lock barrels, providing up to 10,000 different key combinations. These locks also feature an exchangeable lock barrel system so keys and barrels can be easily changed to suit individual requirements. Master keys also available.

Operating Conditions

This product is intended for use in dry internal applications.

+3°C to +40°C
