

FRAMEWORK

CONSIDERED PIECES FOR THE WORKPLACE

WARRANTY

FrameWork manufactures and sources premium products, designed for durability, delivering quality and value our customers can rely on. Quality products and excellent service is one of our company's key focuses.

Provided the FrameWork Care & Maintenance Guidelines are adhered to and the product used only as intended you will have the benefit of our 10 year warranty on all of our steel storage products and our 5 year warranty on all other products (including workstations, task chairs and lockers).

Provided all required information is supplied, our warranties cover faulty materials and workmanship and the cost to repair or replace any product within the 5 or 10 year warranty period which commences from the date of delivery.

Further details on warranty terms and conditions along with the FrameWork Product Care & Maintenance Guidelines can be found at www.frameworkinc.com.au
